NEW STUDENT-ATHLETE PARTICIPATION HISTORY

Name: _____ SS/ID#: _____

To properly certify your initial eligibility for intercollegiate athletic participation, it is important for Flagler College to verify your prior academic and athletic participation history. The NCAA defines "full-time enrollment" as having been officially registered in a regular term for a minimum full-time program of studies (12 hours) and attending one day of classes for that term regardless if the student later drops to part-time status (less than 12 hours).

In the space below, please provide us with a complete academic and athletic history from the time you graduated from high school until you enrolled in FC. Indicate whether you were enrolled full-time (FT) or part-time (PT), indicate with an "X" the terms in which you competed against any outside competition (even JV) and/or you received athletically-related financial aid. If you were not enrolled, please indicate what you were doing during that time (for example, working, traveling, etc..).

Do not include summer sessions
